

Thanks for Supporting our Bird Seed Sale

I want to thank all the customers who bought birdseed through our two seed sales this year. Since this is our main fundraiser during the year, we appreciate your continued support.

Our profit on the second seed sale was \$2223.06. The total profit for the two seed sales this year is \$5047.81.

Some of the proceeds from seed sales go toward sending kids to the nature camps in the county parks. If anyone knows of kids who might want to do this, please contact a Board Member.

Look in this space in the fall of 2008 for the order form for our next seed sale.

Again, thank you.
Birdseed Chairman
